Re: September 5th Hearing To Be Rescheduled

Dear Plan Participant:

Please note that the hearing scheduled for Tuesday, September 5th has been cancelled.

A request was sent to Judge Bell on Tuesday morning requesting that the hearing set for September 5th be cancelled and noting that it will be rescheduled soon. The Court has approved and cancelled the hearing.

The reason given was that “all interested parties and their counsel are not yet in a position to present the Court and all affected individuals with definitive terms of the sale for the hearing to be meaningful and productive.”

I will post again when the hearing is rescheduled.

Regardless of the eventual hearing date, I do plan to hold a town hall meeting in November as we do every year. So if you have questions, please plan to attend. The tentative date for that meeting is November 17th. I will let you know the details as they become available.

As you know, this website has up to date information regarding the fund assets and monthly reports to the Court. There are also links available to change direct deposit information, update your mailing address and a Frequently Asked Questions section.

If you have questions that I have not answered here or on the website, please e-mail me at Traci@mcgkc.com. If you are wondering about something, others probably are too, and I will do my best to address all questions and concerns.

I am and will continue to be working for you.

Sincerely,
